Primarily this is a “Trunk Show”! Key – Focus on what we are bringing in for the event. Our “While You Watch” events have proven to be very successful. The line is vast with nearly 2 million dollar selection at your fingertips during your event. Make note that a very high percentage of special requests customers, nearly 80% rarely come to the event, this also puts the events success totally on 1 request or 1 customer.

Your diamond line inventory list is emailed to your district or regional manager 3 to 4 weeks prior to your event. This is the selection in the line with pricing, quality and size information.

Semi & Mounting Requests: To better serve the guest, please know the Size & Shape of Stone being set / Finger size all helps. Knowing this important information helps aid in determining if what the guest has will work with what is being requested. Remember: Not all mountings may work with what the customer has to set! Some are very specific so knowing size, type of stone & shape, finger size is vital information to completing the sale on event day.

To help limit special request calls, please familiarize yourself with the findings.
